

Pardee RAND Graduate School
Coronavirus Emergency Relief Request Form - Second Round

Students are eligible for grants for expenses related to the disruption of campus operations due to coronavirus. The disruption of campus operations includes the closure of the RAND office in its entirety, not just the school. Eligible expenses include food, housing, course materials, technology, health care, and child-care. Funding is limited, so not all applications may be funded, or fully funded. Funding will be allocated based on greatest need according to applications received by July 24.

Under U.S. Department of Education guidance, grants funded by the CARES Act are only available for students who are U.S. citizens or permanent residents. In its commitment to support all students, Pardee RAND will be funding international student through internal funding.

If you have already received funding for an expense (e.g. through Sick Time), you may not request additional funding for that expense.
